Get The Most From Your Pick To Light or Paper-Less Pick Line" (Volume 1) David E Mulcahy

The book ideas provide business managers with the ability to make their new or remodeled paper-less pick line more cost effective and efficient. For a reader's easy, quick review and reference, the book ideas review customer order release, pick position types, pick container selection, picker routing patterns, pick-line profile options, conveyor selection, trash removal and other ideas. While working as a project manager, the author has applied many of these ideas to many pick-lines with excellent picker productivity, high completed order number and few pick errors that all contributed to desired CPU and UPH.
