Last of the Curlews (New Canadian Library)

Fred Bodsworth

Last of the Curlews (New Canadian Library) Fred Bodsworth

The Eskimo curlew, which once made its migration from Patagonia to the Arctic in flocks so dense that they darkened the sky, was brought to the verge of extinction by the wanton slaughter of game-hunters.

Following the doomed search of a solitary curlew for a female of its kind, Fred Bodsworth's novel is a haunting indictment of man's destruction of the natural world.
