Kids explore what others in the world (including young people) have done and are doing to address the issues, find out what their community needs, and develop a service project. The workbook includes facts, quotations, real-life examples, write-on pages, resources, a note to adults—and a lot of inspiration to get out there and make a difference in the world. Includes exclusive interviews with author and activist Francis Moor Lappé, and Lindsey Lee Johnson, author of *Soul Moon Soup*, the story of a girl living on the streets with her mother.
