Detectives Don't Wear Seat Belts: True Adventures of a Female P.I. Cici McNair

Growing up in Mississippi, Cici McNair was always more the tomboy her mother supported than the Southern belle her father demanded. She escaped her suffocating upbringing the first chance she had to travel the world. Whether working at the Vatican in Rome or consorting with a gunrunner in Haiti, she lived a life of international adventure. When Cici finds herself in New York, divorced, broke, and fashionably starving to death in a Madison Avenue apartment, she impulsively decides to become a private detective.

But, as Cici soon learns, the world of P.I.s is tight-knit and made up almost exclusively of former law enforcement officers. By nature, they are a highly suspicious group and are especially wary of a newcomer with an untraceable past. Diligently working her way through the Yellow Pages, doggedly pursuing the slightest lead, Cici is finally hired by a private investigator willing to take a chance. The next day she's working side by side with a pair of seasoned detectives and a skip tracer who is scary to meet but like silk on the phone. She quickly realizes she'll need all her energy and wits to succeed in this new world.

Being a private investigator is as exciting and liberating as Cici ever dreamed, from creating a false identity on the spot on her first case in the field to surviving adrenaline-rushing car chases. Working with law enforcement, she goes undercover, dealing with the ruthless Born to Kill gang in Chinatown and the Middle Eastern counterfeiters west of Broadway. A detailed account of the hidden world and real-life cases of a P.I., this action-packed memoir is as entertaining as any detective novel you've ever read.

From reader reviews:

Robert Riggio:

Nowadays reading books be a little more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of publication you read, if you want have more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining including comic or novel. The Detectives Don't Wear Seat Belts: True Adventures of a Female P.I. is kind of book which is giving the reader erratic experience.

Fernande Hairston:

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A great deal of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Detectives Don't Wear Seat Belts: True Adventures of a Female P.I..

Raymond Floyd:

Your reading sixth sense will not betray a person, why because this Detectives Don't Wear Seat Belts: True Adventures of a Female P.I. book written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own personal hunger then you still question Detectives Don't Wear Seat Belts: True Adventures of a Female P.I. as good book not simply by the cover but also through the content. This is one publication that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Kirk Mathews:

Reading a book being new life style in this yr; every people loves to learn a book. When you examine a book you can get a lots of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, and also soon. The Detectives Don't Wear Seat Belts: True Adventures of a Female P.I. provide you with new experience in looking at a book.
