Drink & Tell is just that -- a cocktail historian's tour of Boston, a city he knows and loves. Included are over 500 drink recipes created and served by more than 40 bars and restaurants in Boston. While there are plenty of recipes inside from heavy hitters like Eastern Standard and Drink who have basked in well-deserved international attention, the author also hopes to bring to light the other establishments which have crafted amazing drinks through the years to help make Boston a cocktail town. Drink & Tell is perfect for the home bartender, for the Boston barfly looking for a memento, and for trade bartenders near and far for inspiration on improving the cocktail scenes in their cities.
