Japanese Pilgrimage

Oliver Statler

Japanese Pilgrimage Oliver Statler

From the author: My interest in the Pilgrimage to the Eighty-eight Sacred Places of Shikoku dates from my first visit to Shikoku, in 1961. I first performed the 1000-mile circular pilgrimage in 1968. From 1969-1971 I lived on Shikoku in the city of Matsuyama in order to study and perform the pilgrimage, and in 1971 made the entire pilgrimage again. In 1973 I was awarded a Guggenheim Fellowship which permitted me to undertake a book about the pilgrimage. Japanese Pilgrimage was published in May 1983 by William Morrow & Company.

During the Japanese Academic year 1980-81, I was a visiting professor at Kobe College (Kobe Jogakuin), the old and prestigious women's college now located in Nishinomiya. During this year in Japan I worked with a Matsuyama film maker, Ueda Masakazu, to make an 8-mm film about the pilgrimage; the film was first shown at the 1983 Annual Meeting of the Association for Asian Studies in San Francisco."

From reader reviews:

Clyde Welch:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining for instance comic or novel. The actual Japanese Pilgrimage is kind of publication which is giving the reader erratic experience.

Cynthia Medina:

Reading can called brain hangout, why? Because while you are reading a book particularly book entitled Japanese Pilgrimage your mind will drift away trough every dimension, wandering in every aspect that maybe unknown for but surely might be your mind friends. Imaging each and every word written in a book then become one web form conclusion and explanation in which maybe you never get prior to. The Japanese Pilgrimage giving you another experience more than blown away your thoughts but also giving you useful facts for your better life in this era. So now let us demonstrate the relaxing pattern here is your body and mind will likely be pleased when you are finished examining it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Kimberly Wood:

Beside this Japanese Pilgrimage in your phone, it could possibly give you a way to get nearer to the new knowledge or facts. The information and the knowledge you are going to got here is fresh through the oven so don't always be worry if you feel like an old people live in narrow commune. It is good thing to have Japanese Pilgrimage because this book offers to you personally readable information. Do you often have book but you rarely get what it's interesting features of. Oh come on, that will not end up to happen if you have this inside your hand. The Enjoyable set up here cannot be questionable, such as treasuring beautiful island. Use you still want to miss that? Find this book as well as read it from currently!

Maria Green:

Publication is one of source of expertise. We can add our understanding from it. Not only for students and also native or citizen have to have book to know the revise information of year to help year. As we know those books have many advantages. Beside we add our knowledge, can bring us to around the world. By the book Japanese Pilgrimage we can have more advantage. Don't one to be creative people? To become creative person must choose to read a book. Just choose the best book that ideal with your aim. Don't end up being doubt to change your life at this time book Japanese Pilgrimage. You can more appealing than now.
