## **Lifestyle Illustration of the 60s** Rian Hughes

The 1960s was an optimistic era of unprecedented change, and its heady zeitgeist was captured in the amazing range of artwork that adorned the magazines of the time. *Lifestyle Illustration of the 60s* is a colossal survey of magazine artwork from the Swinging Sixties. It not only provides revelatory insight into the extraordinary artistic talents of the illustrators featured--such as Austin Briggs, Lynn Buckingham, Antonio Lopez and Coby Whitmore--but also tellingly elucidates the social aspirations of this era of political optimism and sexual freedom. Featuring over 1,000 gloriously inventive and stylistically diverse illustrations, *Lifestyle Illustration of the 60s* traces the decade's dizzyingly swift evolution from the homemaking ethos of romantic coupledom to the stylish liberation of mini-skirted Chelsea girls and the psychedelic palette that evolved towards the decade's close, conjuring a fabulous and euphoric pageant of 1960s pop culture from rediscovered artworks by the very best illustrators of the day. An inspirational sourcebook for contemporary designers and fans of 1960s culture, *Lifestyle Illustration of the 60s* provides a wonderful, nostalgic adventure into an aspirational world of stylishly sophisticated living, revealing just how much life has changed in the intervening decades.
