Rutgers since 1945: A History of the State University of New Jersey (Rivergate Regionals Collection)

Paul G. E. Clemens

In the 1940s, Rutgers was a small liberal arts college for men. Today, it is a major public research university, a member of the Big Ten and of the prestigious Association of American Universities. In *Rutgers since 1945*, historian Paul G. E. Clemens chronicles this remarkable transition, with emphasis on the eras from the cold war, to the student protests of the 1960s and 1970s, to the growth of political identity on campus, and to the increasing commitment to big-time athletics, all just a few of the innumerable newsworthy elements that have driven Rutgers's evolution.

After exploring major events in Rutgers's history from World War II to the present, Clemens moves to specific themes, including athletics, popular culture, student life, and campus dissent. Other chapters provide snapshots of campus life and activism, the school's growing strength as a research institution, the impact of Title IX on opportunities for women student athletes, and the school's public presence as reflected in its longstanding institutions. *Rutgers since 1945* also features an illustrated architectural analysis, written by art historian Carla Yanni, of residence halls, which house more students than at any other college in the nation.

Throughout the volume, Clemens aims to be balanced, but he does not shy away from mentioning the many conflicts, crises, and tensions that have shaped the university. While the book focuses largely on the New Brunswick campus, attention is paid to the Camden and Newark campuses as well. Frequently broadening the lens, Clemens contextualizes the events at Rutgers in relation to American higher education overall, explaining which developments are unique and which are part of larger trends. In celebration of the university's 250th anniversary, *Rutgers since 1945* tells the story of the contemporary changes that have shaped one of the most ethnically diverse universities in the country.

Mamie Bostic:

Reading a book to be new life style in this year; every people loves to go through a book. When you study a book you can get a lot of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what forms of book that you have read. In order to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The Rutgers since 1945: A History of the State University of New Jersey (Rivergate Regionals Collection) provide you with new experience in studying a book.

Mark Guerrero:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Rutgers since 1945: A History of the State University of New Jersey (Rivergate Regionals Collection) can make you sense more interested to read.
