Sociology

James Fulcher, John Scott

Sociology James Fulcher, John Scott

The fourth edition of Fulcher and Scott provides an authoritative and theoretically grounded approach to sociology, covering both classic and contemporary research. It provides the context for debate and discussion that enables students to develop their critical awareness skills. Contemporary issues such as child abuse are backed with recent research, whilst the student-centred approach adopted in this edition looks at popular culture and recent developments such as social networking and online identities.

A system of consistent cross-referencing and signposting signals where topics are explored to allow easy navigation of the text. Clear links between the main text and learning features emphasize the relevance of these features. A wealth of features support students and teachers.

Online Resources

For students

Case studies: each chapter has a case study that draws on recent sociological research and news from the popular media with questions

MCQs: bank of self-marking multiple-choice questions for each chapter

Web links: series of annotated web links organised by chapter
