After finding his father brutally murdered, John Hart learns that the Holy Lance, guarded by his ancestors for generations, must be protected at all costs

June 1190. A Knight Templar, Johannes von Hartelius, rescues the Holy Lance from the drowning body of Frederick Barbarossa during the Third Crusade. April 1945. A courier arrives at the Hitlerbunker with a parcel. The Führer calls for a vacuum canister to be brought, seals the documents he has received inside it, attaches the canister to a leather case containing the Holy Lance, and sends it away, guarded by a descendant of Johannes von Hartelius. Present Day: British photojournalist John Hart finds his father crucified, with the mark of a spear in his side. Shattered and bewildered, Hart learns for the very first time of his family's destiny—to be the Guardians of the Lance. As Hart begins to investigate, he discovers a German occult rightwing organization called the Brotherhood of the Lance. Hart infiltrates the organization to investigate his father's murder—but the secret of the Lance is more terrifying than he could ever have imagined.
