Chambers Adult Learners' Guide to Numeracy Geoff Mainwaring

This new edition of *Chambers Adult Learners' Guide to Numeracy* is aimed at adults who lack confidence in their numeracy skills, now in a new, more accessible format. The book provides users with an understanding of the key concepts and methods, then applies them in real-world situations such as calculating distances or working out interest payments. The two-color text is clearly and spaciouly laid out, and plentiful examples, diagrams, and exercises reinforce all the learning points. The book is based around the "Skills for Life" numeracy curriculum created by the Department for Education and Skills.
