Changes in the Technological Landscape: Essays in the History of Science and Technology Svante Lindqvist

The collection of articles, essays, and other presentations included in this volume summarize to some extent the author's thinking over the last several decades on a broad range of topics associated with the history and philosophy of science and technology and follow his passage from the academic world to the museum world to the positions he now concurrently holds as President of the Royal Swedish Academy of Sciences and Marshal of the Realm to the King of Sweden. Recipient of the 2010 Leonardo da Vinci Medal of the Society for the History of Technology, among numerous accomplishments he is particularly cited for a remarkable ability to build enduring institutions while also pursuing original scholarship and pioneering ventures in education.
