Introducing Religion: Religious Studies for the Twenty-First Century Robert Ellwood

Introducing Religion, 4/e explores the different ways of looking at religion in the twenty-first century. A broad overview to religious studies as a discipline introduces students to the various subjects of religion. *Introducing Religion* teaches readers how to think in academic religious studies and its main areas, including: sociology of religion, psychology of religion, history of religion, religion and art, ethics, and more.

The fourth edition has been expanded with new chapters exploring topics of contemporary interest: myth, spiritual paths, religion and popular culture, religion in the computer age, religion and war. Contemporary topics engage today's students, relating the topics to the changing world around them.
