## Last Argument of Kings (First Law Trilogy, Book 3) Joe Abercrombie

Logen Ninefingers might only have one more fight in him -- but it's going to be a big one; Superior Glokta is fighting a different kind of war, a secret struggle in which no one is safe, and no one can be trusted; and Jezał dan Luthor has turned his back on soldiering for a simple life with the woman he loves. The king of the Union lies on his deathbed, the peasants revolt, and the nobles scramble to steal his crown. No one believes that the shadow of war is about to fall across the heart of the Union. Only the First of the Magi can save the world, but there are risks. There is no risk more terrible than to break the First Law.
