For too long men have been unwitting victims in a culture that expects them to do everything right, and has no mercy or understanding, and punishes them when they can't do everything right. The Child Support Trap: A Men's Survival Guide shows men how to avoid the terrors of the Child Support System and how to make the System work to their advantage and for the benefit of their children. Attorney Alan W. Cohen, who operates the Child Support Law Center in St. Louis, Missouri, presents a twelve-step program to take action to succeed where many others have failed, and avoid the Child Support Trap.
