A goat who wants to sell you some meth.

A giraffe who might be violating his restraining order.

An alpaca with a very dirty secret.

A cat who's *really* mad at you for cancelling Netflix instant.

These are just a few of the hilariously human animals you'll meet in *Animals Talking in All Caps*. Inspired by the wildly popular blog of the same name and including some of the site's best-loved entries as well as gobs of never-before-seen material, these pages provide a brilliantly unhinged glimpse into the animal mind.
