At long last it's the new issue of Microcosm's continuing CIA zine series! For the tenth anniversary issue, we get an intimate, never-seen-before examination of the life and death of Lee Harvey Oswald. Where other would-be Oswald biographies focus on the immediate events leading up to the 1963 assassination of President John F. Kennedy, here we have a full and panoramic look at Oswald's short, conflicted, adventure-filled life. Using exclusive info and newly declassified documents, *CIAMSFU #6* puts into perspective a richly-detailed version of the Oswald story, from birth in 1939 to his historic televised assassination.
