Where the words end and my body begins

Amber Dawn

Where the words end and my body begins Amber Dawn

Dorothy Livesay Poetry Prize finalist

Award-winning novelist and memoirist Amber Dawn reveals a gutsy lyrical sensibility in her debut poetry collection: a collection of glosa poems written as an homage to and an interaction with queer poets such as Gertrude Stein, Christina Rossetti, and Adrienne Rich. By doing so, Dawn delves deeper into the themes of trauma, memory, and unblushing sexuality that define her work.

Amber Dawn is the author of the Lambda Award-winning novel *Sub Rosa* and the memoir *How Poetry Saved My Life* (winner of the Vancouver Book Award). Her other awards include the Writers' Trust of Canada Dayne Ogilvie Prize.

From reader reviews:

Sharon Grace:

In this 21st hundred years, people become competitive in each way. By being competitive now, people have do something to make these people survives, being in the middle of typically the crowded place and notice through surrounding. One thing that often many people have underestimated that for a while is reading. Yes, by reading a book your ability to survive enhance then having chance to stand than other is high. For you personally who want to start reading a new book, we give you this kind of Where the words end and my body begins book as starter and daily reading reserve. Why, because this book is usually more than just a book.

Melissa Becker:

Information is provisions for people to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside the former life are challenging to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Where the words end and my body begins as your daily resource information.

Benita Newton:

The reason? Because this Where the words end and my body begins is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

Marivel Tye:

Playing with family in the park, coming to see the marine world or hanging out with buddies is thing that usually you have done when you have spare time, then why you don't try point that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Where the words end and my body begins, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.
