Cuba:: A Personal Journey 1989-2015

Cuba:: A Personal Journey 1989-2015

"Working in the tradition of Cartier-Bresson and Robert Frank, Paganelli brings an artist's eyes and a native son's sensibility to his superb photographs."—Frank Van Riper, *The Washington Post*

Manuello Paganelli has documented the daily activities of the people and the culture of Cuba for more than twenty-five years. In his debut book, *Cuba: A Personal Journey 1989-2015*, Paganelli brings together 115 black and white images that celebrate the indomitable essence of Cuba—its cuisine, music, dance, and everyday life—persisting in the midst of varying political pressures and economical complexities.

Manuello Paganelli is a Los Angeles based freelance photographer whose images have been published in TIME, LIFE, ESPN, Newsweek, and many more.
