Genetic Flux (Phase One) (Volume 1) Jeremiah P. Eckrich

Doctor Bragden has never been a patient man. When clinical tests show promising results the good doctor's impatience pushes procedure aside. His misguided intentions quickly place the entire world in danger as an engineered virus GFVT49 is set free. The DNA manipulating virus spreads exponentially and wreaks havoc on the population of the world. Governments are helpless in finding a cure and panic ensues as people lose hope. Genetic Flux: Phase One creates a new and frightening future for humans. A world where people change, where people are changed, and where change is the only constant.
