In Blue Town, an identity theft gang, is terrorizing and ravaging the financial lives of the citizens of this fast growing metropolitan city. With identity theft becoming a global crime, and with the Chinese Triads, Mexican Drug Cartels, and Nigerian 419-fraudsters involved, personal information, social security numbers, bank accounts, are at risk of being stolen and, or hacked. The once thriving and peaceful city of Blue Town is under siege and has become a haven for identity thieves, and everyone in this metropolitan city, and across the U.S., is faced with a new terrorism, posed by identity theft! Even the powerful media is not safe, in the hands of these millennial hackers and identity thieves. The only solution lies in the efficacy and determination of one man, and he is the chief detective, who seems to have all the answers. But his answers are unorthodox and include 'licensed' killers who will use any means necessary to stop the New Money Gang! With the membership of the New Money Gang including corrupt police officers, crooked judges, prosecutors, pimps, prostitutes, child traffickers, and the mafia, bringing the gang to face justice will be an uphill task. Law enforcement agents are overwhelmed and short of answers. Even the FBI and IRS criminal investigation unit of the U.S. Attorney's Office, cannot stop the elusive New Money Gang, whose members are global, in Mexico, China, India, South America, and Nigeria! But a determined Chief Detective Sebastian Joseph, with Detective Marcus Rogers, in tow, to stop them, knows what to do, and he will do it by any means necessary!
