"The amber rays of the dying sun reflected off his sculpted wet body. He was like a statue cast in precious metal emerging from the mold.

*My golden god!*

At the sight of his long toes curled into the wet sand, an urge swept over her to drop to her knees and trace his footprints."

**From medieval romance author Anna Markland comes the third book in the series, The Montbryce Legacy. This is juicy historical fiction at its best.**

## Praise for If Love Dares Enough

"I love this series. Great historical setting and beautiful romance. I love the fact that the heroines are not simpering misses but have troubled pasts." English PH -Amazon reviewer.

"Hugh and Antoine de Montbryce are my kind of hero and I was kept enthralled by their adventures and their willingness to risk everything for the women they fell in love with. Hugh has additional appeal because he's a virgin hero! Not too many of those in historical romances! The book is rich in historical detail. I couldn't put it down. And those dogs! You'll fall in love with the Melton family's mastiffs, Boden and Brigantia." Roberta -Amazon reviewer

## Overview:

Violence arouses Hugh.

He avoids women.

But he cannot turn a blind eye to the abuse Devona suffers at the hands of her husband, even at the risk of angering his King.

**If you love well researched historical romance full of adventure and intrigue, you'll relish *If Love Dares Enough*. If you enjoy the richness of Ken Follett, you'll love Anna Markland's books. Follett with a female touch.**
