**Intelligence Test Desk Reference (ITDR): The Gf-Gc Cross-Battery Assessment** Kevin McGrew, Dawn Flanagan

The Gf-Gc Cross-Battery Assessment is the definite reference on ALL major psychological tests. In light of recent advances in intelligence theory and research, this is the first comprehensive volume which provides an analysis and synthesis of the major intelligence batteries according to contemporary theory and research.

This book has four primary goals: (1) to describe the comprehensive and empirically supported theories of intelligence, (2) to provide a "Desk Reference" that describes the psychometric characteristics abilities of all major intelligence tests, (3) to present a "cross-battery" approach to measuring intellectual functioning, and (4) to offer the latest in research and intellectual assessment. This book succeeds where no other book does.

Practicing psychologists and researchers. **A Longwood Professional Book**
