These photos, taken on the King Ranches in South Texas, Brazil, Argentina, and Australia, capture an era when people lived out their lives on inhospitable lands with great herds of red cattle and fine cow horses. The author-photographer worked side by side with her subjects, creating a unique perspective. She was firm about authenticity and very careful to be unobtrusive with her camera. The daily rituals of these strong men and women are beautifully portrayed in her images with vibrant colors and striking compositions.
