In Possession of Loss M. T. C. Cronin

"This is poetry that goes direct to that other place and inhabits it. *In possession of loss* has a clear sparseness, almost a minimalism, that is also highly complex. Read as a single book-length poem, it thinks our world without telling openly. As in Inger Christensen's *Alphabet*, everything hangs together and speaks the whole though one can't exactly say how. Cronin is a risk-taker: she can say 'love', 'loss', 'death', 'the heart', without tying the words to recognizable stories or hiding behind the game of avoiding meaning. This is a poetry that shoulders the big questions. Compared to so much that is written in the English-speaking world, Cronin's poetry IS so different and so itself." -Peter Boyle
