More, more, more! Radiant with color, opulence, and individuality, today's home rejects the clinical, minimal style and celebrates a lush, vibrant personality. If you're longing to create interiors that entice the eye and spirit, every astounding photograph here will inspire you with the possibilities: they range from a baroque, sensuously exotic bedroom with pink silky sheets, gold-trimmed pillows, elaborate headboard, and ornate lamps to a super-modern, multihued living room with a large Warhol print of Marilyn Monroe dominating the wall. Be bold, too! Display valued collections with panache, whether they're family heirlooms, expensive antiques, or memorabilia you can't live without. Be lavish with materials like polished brass, textured wood grain, or the bright gloss of a plastic surface, and use them to enhance every inch of your house. Draw from the past in developing your design. Six case studies of living spaces from around the world will stimulate big decorating ideas!
