## **Moses, Second Edition** Gerhard von Rad

In this new edition of Gerhard von Rad's classic work on the Moses traditions, the reader is provided with a more polished text, cross-references to von Rad's other works, an updated bibliography, Scripture index, and a new foreword by Walter Brueggemann. A German Lutheran pastor, University professor and a prolific Old Testament scholar, Gerhard von Rad sought a revival of Old Testament appreciation from a readership disheartened by two world wars. Hanson brings this important work to the present generation in the hopes of provoking the same reaction.
