The Woman in White (A Penguin Classics Hardcover) Wilkie Collins

Part of Penguin's beautiful hardback Clothbound Classics series, designed by the award-winning Coralie Bickford-Smith, these delectable and collectible editions are bound in high-quality colourful, tactile cloth with foil stamped into the design. The Woman in White famously opens with Walter Hartright's eerie encounter on a moonlit London road. Engaged as a drawing master to the beautiful Laura Fairlie, Walter is drawn into the sinister intrigues of Sir Percival Glyde and his 'charming' friend Count Fosco, who has a taste for white mice, vanilla bonbons and poison. Pursuing questions of identity and insanity along the paths and corridors of English country houses and the madhouse, The Woman in White is the first and most influential of the Victorian genre that combined Gothic horror with psychological realism.
