Archie Goodwin

**Alien: The Illustrated Story (Original Art Edition)** Archie Goodwin

Two of comics' greatest talents joined forces in 1979 to bring Ridley Scott's epic *Alien* motion picture to the comic book page. Out of print for over thirty years, this brand new edition (released in time to coincide with Scott's latest opus *Prometheus*) has been meticulously restored from original artwork in Walt Simonson's studio — presenting for the very first time the definitive artist's edition of the greatest sci-fi horror ever produced.
