This is a unique resource to improve this difficult and highly sensitive area of communication, ideal for both individual use and by groups or in teaching. It offers a visual, interactive training experience, linking with supportive care frameworks. It is accompanied by a DVD which contains filmed scenes illustrating a range of challenging dialogues between health workers and a patient and his family through the journey of his terminal illness. Accompanying booklet highlights communication issues with suggested exercises, reflection points and advice. It is available as individual-use-only product for self-reflective learning, or institutional-use product for tutored learning, both priced to give excellent value.
