## Do Me Twice: My Life After Islam Sonsyrea Tate

From the highly acclaimed author of *Little X: Growing Up in the Nation of Islam* -- a taboo-breaking memoir about a Muslim girl who explores her freedom through the expression of her sensuality and sex, defying the cultural boundaries that denied her a full life.

*Do Me Twice* is the triumphant life story of the highly intelligent, courageous, and charismatic Sonsyrea Tate as she breaks the cultural and religious molds set in place by her upbringing. A former African-American Muslim, Tate has raised awareness for that community by bringing personal and enlightening answers to a curious audience.

Who are African-American Muslims? What do they stand for and why? How far-reaching are their lifestyle choices? With the global focus on terrorism and interest in the Islamic state, readers are hungry for answers that aren't influenced by government spin or newscast ratings. They will find those answers here.

*Do Me Twice* inspires young women while exploring Tate's conscious separation from Islam, her abusive husband, and the prejudices and stereotypes set on her by others' misconceptions.
