Warrior's Possession (The Medieval Warrior's Legends) (Volume 1) Gianna Simone

Wed on the king's command, she finds an Unexpected Passion! Upon her father's death, Lady Gillian Marlowe is ordered by King Edward I to wed Royce Langley, the Earl of Montchester. Worried she is being offered up as little more than a sacrifice in a political game, Gillian is surprised to find herself intrigued by her arrogant and infuriating husband. Tasked with ridding the border along Wales of rebels who seek to unseat the king, Royce finds subterfuge and secrets everywhere, even with his beautiful wife. Though he only agreed to the marriage because of the king's order, he finds himself both fascinated and incensed by Gillian at every turn. She tries his patience, defies his orders and places herself in danger. To keep her in line, he spans her, binds her to his bed and dominates and torments her, not only to ensure her submission, but also to coerce her into revealing her secrets. But even that is not enough to subdue her stubborn determination to stand beside him and defend her home and people. Discovering his wife enjoys the same dark pleasures Royce does stirs more confusion. He has sworn never to fall for a woman's wiles, but his wife captivates him in ways he never expected and she stirs a desire deeper than any he has ever known. Trusting her is another matter, as he fears Gillian may bring about his downfall with her continued secrets, which he views as an attempt to undermine his authority. The rebel attacks increase and danger lurks everywhere. Gillian falls under suspicion as the traitor, despite her vows of loyalty. Royce must overcome his mistrust and find a way to maintain his possession of Gillian as they battle the enemies both within and without, if there is any hope for them to save each other. Featuring A Kinky Twist on History! Includes male domination, bondage, spanking and so much more!
