## **Audrey of the Outback** Christine Harris

Audrey is a 1930s outback girl with a lot on her mind. Her dad has gone away to work; her brother Price thinks he's too old for games; and little Dougie likes pretending to be a bird. So together with her best friend Stumpy, Audrey ponders some of life's big questions—like whether being a swaggee (or bush traveler, as explained in the handy glossary) is lonelier than being a girl, and whether it's better to be a sheep or a cow. Determined, mischievous, imaginative, and inquisitive, Audrey is Australia's response to Pippi Longstocking and Ramona Quimby.
