'Nacho Money' is the fictional narrative of Max, who decodes the secret of money. In the story, he uses and loses things and money that are not his own. Max has to pay the price as he learns about trust, friendship and responsibility - financially and otherwise. Family relationships, humor and real adult money words like 'asset' and 'layaway' make the book interesting. Discussion questions and word scrambles round out the book to keep the money conversation going with the little tycoon in your life.
