Courtney's Story: (The WhoreWife Chronicles Book 2) Lena White

As soon as we entered the bedroom he took me in his arms and kissed me hard again. He turned my slightly and ran his hand up my thigh, past my waist and under my teddy to cup my breast. He tweaked my nipple and stopped kissing me just long enough to flip my teddy over my head so that I was suddenly naked. Max pressed his body against the full length of me and I felt the hard urgency of his cock. I dropped to my knees and undid his fly. Sara had told me that men love to have their cocks sucked when they were still dressed. Max seemed to be no exception. I was having a little trouble with his pants but Max just let me fumble with things. Finally I grabbed his cock and pulled it out into the light of day. He was bigger than I would have expected but nothing overwhelming, then I remembered Sara saying that every man loves to hear that he has the most magnificent cock she'd ever seen. "You have a magnificent cock, Max," I said as I stroked it. I looked up at him from my knees and smiled. "I don't know if I'll be able to handle it." Max smiled. "Just suck it baby," he said. I looked at Max's erection for just an extra second as I accepted the fact that I was at that moment about to become a woman who sucked cock for money. I must have hesitated a bit too long as Max grabbed my hair and jammed his cock in my throat. In all the encounters I've had since Max, and there have been plenty, I've never had any client just throat-fuck me so violently. Before I knew it I was choking and gagging on Max's cock, which felt a hell of a lot bigger in my mouth than it looked at first glance. I quickly realized that Max enjoyed the power trip of the whole thing and that undoubtedly swelled his not-quite average penis to its limits. I also noticed that my pussy was dripping with excitement and anticipation. After a few minutes of semi-forced cock-sucking, Max took me by the shoulders and nearly threw me on the bed. My bed, our bed, the bed I shared with Stan. I still had trouble believing it was all happening. Max stripped off his pants and climbed on top of me. He was not one to take his time. He spread my legs roughly with one hand and guided his cock into my hot, throbbing cunt with his other hand. Now I was a real whore. Max fucked me hard. His self-control was pretty amazing. I came after a few minutes but he just kept bang away at me. After about 20 minutes he flipped me over and entered me from behind. I assumed that doggy-style would be the key to his orgasm, but he just kept hammering away. I had a clear view of the clock by the side of the bed and couldn't help but notice the time at various points in our session. Sara had assured me that most clients would last no more than five or ten minutes before climaxing, but obviously Max hadn't talked to Sara. About 40 minutes into the session, Max spun me around and jammed his cock in my mouth again, ramming it deep into my throat. I've never been a fan of the taste of my own pussy, and I never let Stan do what Max had just done. I wondered if I was going to be able to stop Max once his hour was up. I had lost myself in the submissive role of doing whatever he wanted, and I think he knew it.
