Finally, the most informative, fully illustrated, step-by-step guide to designing and building your own home wine cellar! This beautifully photographed and illustrated full-color book covers all of the details of locating and preparing the right construction area. It includes the latest designs, as well as up-to-date racking and organization styles and techniques. Perhaps most important, this book addresses all the thorny challenges of temperature and humidity control—just where most home wine cellars fail. Having a wine cellar is a hot trend among homeowners, and contractors throughout the country are including them in new construction. This copiously illustrated “hammer and nails” book is by far the best DIY guide available.
