## **Multiple Choice Chess II (Everyman Chess)** Graeme Buckley

Players can use this book to determine if they are realising their chess potential and performing to the best of their capabilities. With instructive chess games, International Master Graeme Buckley repeatedly poses the question „What would you do here?“. Readers are invited to step into a grandmaster's shoes; work out all the relevant tactics and strategies of the game; and select a move out of a possible four choices. A scoring system has been devised which can assess playing strength according to the answers provided. It's as simple as that!

\*Written by an experienced chess teacher

\*Each instructive game carefully selected

\*A sure way to increase playing strength
