Exquisite and powerful, if there is a theme in The Mary-el Tarot, it is one of the alchemy of the soul; of finding balance, symmetry, mastery of the self, and becoming your own genius. This long-awaited 78-card deck is stunningly illustrated with traditional oil paints and a depth of symbolism found in the old classics. The accompanying guide, *Landscapes of the Abyss*, takes the reader through the meanings of each card via the landscape of the Moon and the High Priestess, through the geometry of the temple and the Tree of Life, the Merkabah, and the caduceus! Enter a doorway between heaven and earth, between microcosm and macrocosm, between the world of eternity and infinity. A rare gem suitable for all levels of tarot experience.
