Tiling: Planning, Layout & Installation (For Pros By Pros) Fine Homebuilding

This book gives you the technical expertise and seasoned advice you must have to expertly plan, lay out and install tiles throughout your house. From simple to elaborate, easy to complex and challenging, the editors of "Fine Homebuilding" magazine cover a huge range of tiling projects, techniques and issues, and give you the technical help and design inspiration you need to plan and execute a range of tiling projects like: tile a shower with marble; install a leakproof shower pan; install glass tiles; tile a bathroom floor; cut and grout ceramic tiles; tile a kitchen counter and backsplash; and tile over a laminate counter. "For Pros, By Pros" series: written by professional builders who actually do the work, then offer the very best design and construction advice plus building site-proven tips and techniques. "Professional Building Guides": these are the very best books in Taunton's highly successful home-building backlist, completely revised and updated, redesigned and now illustrated in full colour. "Fine Homebuilding" is the leading international journal for home builders.
