Updated as of August 1, 2011, the guide includes relevant guidance contained in standards issued through that date, supplemented with specific "how-to" recommendations that show how to apply the standards to the depository and lending institutions industry. The guide offers clear and practical guidance on recent developments in areas such as consolidation, transfers and servicing, troubled debt restructurings, financing receivables and the allowance for loan losses, and fair value measurements. In addition, the guide provides guidance related to new and existing regulatory reporting matters, including updates a result of the Dodd-Frank Wall Street Reform and Consumer Protection Act and amendments to the Corporate Credit Union rulings. Updates significant to this edition include technical guidance contained in:
