Unlike other popular SSAT prep products on the market, Ivy Global does not combine material for the SSAT and ISEE, which are two distinct exams. Ivy Global's trilogy of books offers the most comprehensive, up-to-date, and effective preparation on the market for the Middle and Upper Level Secondary School Aptitude Test (SSAT).

For students applying to many top private and independent schools in North America, the SSAT is a crucial and sometimes daunting step in the admissions process. By leading you step-by-step through the fundamental content and most effective strategies for the SSAT, Ivy Global will help you build your confidence and maximize your score on this important exam.

We know that no two students are exactly alike--each student brings a unique combination of personal strengths and weaknesses to his or her test preparation. For this reason, we've tailored our preparation materials to help students with a specific subject area or goal. Ivy Global SSAT Practice provides four full-length practice tests for the SSAT (two Middle-Level and two Upper-Level) to help students practice for their exam under simulated testing conditions.
