The Concept: Fourteen-year-old Chance Falconer has the occult in her blood. Her father, Lucas Falconer, is the supernatural defender of the Devil's Echo, an amazing city where the supernatural is an everyday occurrence. This is a family tradition handed down from one generation to the next and so Chance feels its time for her training to begin. Her father, however, has other ideas. His role as Devil's Echo's protector has left him a scarred and changed man. But when Lucas puts his foot down and says "no" to Chance's desire to continue the family tradition, she strikes out on her own to prove him wrong - getting involved in her own mysteries and adventures both fantastic and otherworldly. Is she up to this task? *Leave it to Chance!* Praised for its widespread appeal and ability to entertain both children and adults alike, *Shaman's Rain* is the first in Image's ongoing collections of the Harvey and Eisner Award-winning *Leave it to Chance* material.
