They also point out the quirks. They counsel you on which rooms to reserve -- and which to avoid. Every review includes information about the innkeepers, location, ambience, decor, restrictions, rates, amenities, baths (private or shared), and recreational facilities.

**Facilities charts, maps, illustrations, and more.** Comprehensive charts compare B&B facilities to make it easy for you to find the one that suits you best. There are also state maps, illustrations of top B&Bs, and listings of the best B&B reservation services.
