After a lengthy world tour, pop star Samuel Gibbs is looking forward to a nice, quiet break?sleep in, write a bit of music, do his own cooking for a change. He doesn't want his time spoiled by the constant presence of bodyguards, and he is certainly not willing to have someone tail him each time he so much as goes to the shops. No way, no how. It's a good thing, then, that his head of security relents on the matter?or so he leads Samuel to believe.

The break is starting to look even better when Samuel runs into his new neighbor. Ryan Halston is smart and hot and, quite possibly, everything Samuel wants. However, he doesn't know that Ryan is part of the rejected security detail, tasked with protecting him from the dangerous attentions of an unknown stalker.
