## Rowans Ruin Mike Carey

What's to Love: The team of Mike Carey (Suicide Risk, The Unwritten) and Mike Perkins (Deathlok) come together for the first time since 2005's Spellbinders for a taut horror thriller set in their native England. If you're a fan of horror films like *Insidious* and *The Conjuring*, or comics like *Curse* and *Nailbiter*, you'll love how *Rowans Ruin* unfolds as it slowly clues you in on the terrifying secret that is at the heart of the story.

What It's About: Katie has always had things pretty easy, growing up in comfortable circumstances in Florida. But when she finds herself with a long summer break before grad school, she decides to do a house-swap with a British girl, Emily, as a way to vacation relatively cheaply—and to get out from under her parents' attentiveness. England is great, so different from Florida, and the house, called *Rowans Rise*, is charming. But soon she starts having nightmares—really, really, strong ones. Curious, Katie researches the owners of the house, and discovers it may have more of a sinister history than she thought..
