## **The Peacemaker (Men of the Saddle, Volume 1) Lori Copeland**

Award-winning author Lori Copeland has written more than 50 Christian romance novels. Her best-sellers are highly entertaining stories that affirm upstanding principles and values. "The Peacemaker", first in the Men of the Saddle series, is set in rugged Missouri at the end of the Civil War. Wynne Elliot is tracking down Cass Claxton, the scoundrel who ran off with her money just before the start of the war and left her standing at the alter. Now that the fighting has ended, Wynne wants her revenge. But she never expects Cass' older brother, the handsome Cole, to steal her heart. Can an obstinate, "addled-brained" Southern belle be a match for this intractable, "pompous idiot" cowboy? Copeland pens humorous, engaging characters and a message on how revenge can completely consume a person's soul. All listeners will enjoy the spirited narration by Cecelia Riddet. (from the jacket)
