Rock Music Styles Charlton

In its seventh edition, *Rock Music Styles: A History* offers an updated perspective on the development of rock music from its origins to its most contemporary styles. Charlton takes students through genres by focusing on featured performers, exploring important songs in Listening Guides, and drawing connections between musical developments throughout the decades. Additionally, decade overviews and chronology charts detailing historical and rock-related events side by side provide a historical and social framework through which to understand rock music styles in the 20th century and beyond.

Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:
