College Rules!: How to Study, Survive, and Succeed in College (College Rules: How to Study, Survive, & Succeed in College) Sherrie Nist-Olejnik, Jodi Patrick Holschuh

In high school, students have lots of safety nets. In college, they sink or swim. This completely revised guide to college success educates students in the basic college survival skills that professors don't teach, such as how to study, take tests, balance school and social life, and more. Filled with advice on how to hit the campus running, this fun-spirited crash course in the rules of college provides tools to equip students for a lifetime of learning. A thorough revision of the popular guide to all things college, with three completely new chapters on research papers, theories of learning, and Q&As. Includes helpful sidebars, such as sad-but-true student stories, study tips, and info for nontraditional students, as well as special coaching for struggling students. Previous edition has sold 40,000 copies. Reviews "Worth a look, if you're headed for college or getting ready to apply." -San Diego Union Tribune
