Detox Outside the Box Rita Ellithorpe

DETOX OUTSIDE THE BOX, a thought provoking insight about detoxification and chelation therapy which delves into why so many Americans are faced with the horrible reality of having a degenerative disease. Rita Ellithorpe MD, a renowned integrative medicine specialist has been on the front lines for over 20 years helping people overcome the ravages of disease. Most doctors today are trained only to treat symptoms and many times leaving the patient worse off and chained to a lifetime of prescription drugs, but Dr. Ellithorpe's proven medical approach deals with the exact cause of what is behind your disease. If you are faced with a degenerative condition, or if you just want to achieve a better level of health, you will find the answers you are searching for right here. This book is packed with vital information about cardiovascular disease, heart disease, cancer and many other degenerative diseases we are facing today and more importantly, what to do about it. This will greatly expand your understanding of Chelation Therapy along with providing valuable health advice for the 21st century. This book is truly a 'must read' for those seeking better health and wellness.
