## Girl2Girl

The only book written by and for young women questioning their sexuality. Their voices resonate through poems, autobiographies, jokes, messages and advice to each other. Young women from 14 to 21 tell it like it is as they struggle to discover themselves and find a way to live openly in a homophobic world. There are also contributions from parents and important advice for teachers, plus a helpful resource list of support groups and organisations in the UK and North America.

"Life saving and inspiring, a great read." -*Skin*, Skunk Anansie.
